OLD BUSINESS

1. The Commission will review any additions/revisions to the New Melle Ordinance Code Appendix A. Copies were provided to the Commissioners to review. It was noted that any changes to the Code would need to be presented to the BOA for approval and an Ordinance to changes in Appendix A would need to be presented to make any changes.

NEW BUSINESS

1. The introduction of Anthony Follmer, New Melle Code Enforcement Officer, was made to the Commission and Mr. Follmer was welcomed to the city. Any Code Enforcement violations can be presented to the city clerk or Mr. Follmer to be formally addressed.
2. The issue of golf carts/side-by-sides and other motorized vehicles was brought to the Commission again this year. With children out for summer vacation and the frequency of these vehicles on State Highways/city streets, serious safety concerns are noted. The Ordinances covering the use of the vehicles were handed out to the Commission for review. Serious violations can be brought to the attention of State Highway Patrol and St. Charles County Police for safety reasons.
